### The Dreaded Consumption

T. A. Slocum, M. C., the Chemist and Scientist, Will Send Free, to the Afflicted, three Bottles of his Newly Discovered Remedies to Cure Consumption and All Lung

Trouble. Nothing could be fairer, more philanthropie or carry more joy to the afflicted, than the offer of T. A. Slocum, M. C., of 185 Pearl street, New York City.

Confident that he has discovered an absolute

Consident that he has discovered an absolute cure for consumption and all pulmonary complaints, and to make its great merits known he will send, free, three bottles of medicine to any reader of the Bernar Wesker Tisse, who is suffering from chest, bronchial, threat and lung troubles or consumption.

Already this 'new scientific course of medicine' has permanently cured thousands of apparently hopeless cases.

The Doctor considers it his religious duty—a duty which he owes to humanity—to denate his infallible cure.

a duty which he owes to humanity—to donate his infallible cure.

Offered freely, is enough to commend it, and more so is the perfect confidence of the great chemiat making the proposition.

He has proved the dreaded consumption to be a curable disease beyond any doubt.

There will be no mistake in sending—the mistake will be in overlooking the generous invitation. He has on file in his American and European laboratories testimonials of experience from those cured, in all parts of the world.

Don't delay until too late. Address T. A. Slocum, M. C., 98 Pine street, New York, and when writing the Doctor, please give express and postoffice address, and mention reading this article in the BUTLER WERELTTIMES. 1-lyr
